REPALLE (GUNTUR): A special health camp was organised by Medical and Cultural Association of Repalle for those having problems with eyes at Nizampatnam in Guntur district on Saturday.

Association founder Prakasa Rao said in a release that the Pedakakani-based Sankar Eye Hospital had brought its specialists and screened patients. Those needing surgery for IOL implants were operated at the hospital. After a gap of one month, they had come to conduct a review as part of the post-operative care.
