Solar lamps presented to students

Staff Reporter

At these times of prolonged power cuts threatening to mar the prospects of students preparing for examinations, students at Repalle and surrounding areas in the district have been provided solar lamps thanks to the generosity of NRI philanthropists.

At a programme organised by the Medical and Cultural Association (MCA) at Repalle on Wednesday, Telugu Association of North America (TANA) president Thotakura Prasad distributed solar lamps to meritorious students of Class 9.

The MCA distributed 80 solar lamps brought from New Delhi. District Deputy Educational Officer S. Raghu Kumar, the donors, Vijay Pal Reddy, managing partner of a reputed ABB B-School in Bangalore and Ravindra Yarlagadda, US-based software engineer and secretary of MCA V. Prakash Rao were present.

Lauded

Mr. Prasad complimented the MCA for taking up such a noble initiative.
