### TANA event at Repalle

Staff Reporter

The Telugu Association of North America has chosen Repalle as one of the three regions to host the biennial cultural event — Chaitanya Sravathi — in December this year.

Apart from Repalle, the event will be held at Tallapaka in the Rayalaseema region and Khammam in the Telangana region.

Secretary of the Repalle-based Medical and Cultural Association V. Prakash Rao, who was invited to the board meeting of TANA being held at Atlanta in the U.S., told *The Hindu* over phone on Thursday that it was a rare privilege to host an event of such magnitude.

The events were being held to promote Telugu culture and its traditional forms of song and dance.

### Contributions

Dr. Rao said that Pratima Subba Rao Kunchala (Bethapudi) contributed Rs.1 lakh, Veerabrahma Prasad Krothapalli (Moparru) contributed Rs.24,000, and Murali Gadela ( Ravipadu) contributed Rs.25,000 for taking up charitable, social, and cultural activities by the MCA.
